

The Webster County Agricultural Association, which maintains your Webster County Fairgrounds, is seeking your support for the 2017 Webster County Fair. The Ag Association is a non-profit company made up from an elected volunteer Board of Directors. Our mission is to provide a great agricultural learning location for our local 4H, FFA youth programs, and the community.

We work closely with the 4H Foundation, but we are a different entity. The Foundation raises funds to help pay for trips, meals, and other things for the 4H kids.

100% of every dollar received from event packages and sponsorships goes back in to bringing events to the Fair and keeping the building and grounds safe for everyone to enjoy.

Promote your business or organization by becoming a sponsor at the Fairgrounds. Several thousand people visit the Fairgrounds each year. Our event packages are a great way to show your support for our community and get first access to the exciting entertainment at the fairgrounds. Most packages will provide you with enough extra tickets to share with employees, family, or friends.

Just some of our big goals to improve the Fairgrounds this year:

- Establish a Learning Center for the 2017 Fair
- Remodel the main kitchen in the auditorium
- Build Archery Range
- Repair the main driveway and gravel roads
- Paint and repair the Beef Barn
- Repair sidewalk by the indoor arena..... and much more
