

# Front Wheel Drive Rules

1. Cars must be stock.
2. If fuel tank is moved, it must be secured and a firewall put in between the tanks and the driver compartment.
3. All glass must be removed.
4. All hubcaps and loose metal must be removed.
5. Reinforcement on the drivers side only (optional). Roll cage recommended but not required.
6. Doors, hood, and trunk must be secured. Must be able to open hood and trunk for inspection.
7. Battery may be moved, but must be secured and covered.
8. Car number must be from 0 to 99. No 3-digit numbers. Each number can only be used once, regardless if a letter is used in conjunction with the number.
9. Must have a 2-3 sided (16"x16") sign on top of the car with car's number on each side. Car number should be on both sides of car also.
10. Car must have protective screen on driver's side of front window and driver's side window.
11. No profanity or illicit pictures allowed on car.
12. Helmet and Safety belts required when on track.
13. No loose objects allowed in the car.
14. No full size front wheel drives. These cars will race in the stock class (see Stock Class)
15. Radial or passenger car tires only. No mud and snow tires or donut tires allowed. Hoosiers or American race tires allowed.
