

# Open Front Wheel Drive Rules:

**These Rules are in addition to the General Driver, Race & Pit Rules.** If you are in violation of any rules you will be subject one or more of the following: Removal from the grounds, suspended from racing in one race and/or up to the whole season, suspended from racing at the track indefinitely

## Safety Items

1. Drivers must have a full helmet, full fire suit, and enclosed shoes to enter the racetrack (gloves recommended)
2. 4- or 5-point racing harness required.
3. Racing seat mandatory and must be securely fastened on bottom and back of seat. Seat should not have any movement when mounted.
4. 4-point roll cage required. All bars must be within the front and rear firewall.
5. Mandatory plate or bar on driver's door. At least 3" "C" channel on the driver's side. Can reinforce drivers' side from wheel well to wheel well. Cannon protrude beyond any of the cars original sheet metal
6. RACEceivers mandatory. Can purchase from track for \$90 or rent at \$25 per race from pit shack. Call in advance to ensure availability.
7. All glass must be removed.
8. All wheel weights must be removed.
9. All hubcaps and loose metal/plastic must be removed.
10. No loose objects allowed in the car.
11. Must have a protective screen or at least 3 ¼" bars on driver's side of front window.
12. Must have functioning window net on driver's window.
13. All doors must be welded or chained shut. Must be able to open hood and trunk for inspection.
14. Must have working brakes on driven wheels at a minimum.
15. All cars must have steel firewall and any holes must be covered with steel.

## Vehicle Set up

1. All hoods/trunks must be pinned shut (no nut/bolt combinations or chains)
2. If fuel tank is moved, it must be secured, and a firewall put in between the tank and the driver compartment.
3. If fuel line runs through cockpit the line needs to be inside a secured steel conduit that runs from firewall to back decking.
4. Battery may be moved but must be secured and covered.
5. Any transmission coolers must be secure with no leaks and hoses covered for safety.
6. Closed shoulder radial, passenger, and racing tires only. No mud and snows or all terrain tires. No tire alterations
7. No profanity or anything officials determine to be inappropriate allowed on or in the car.

**WE ARE NOT RESPONSIBLE FOR ACCIDENTS.**
